UNIVERSITY OF ALBERTA • 1961

WE ARE NOT islands
entire to ourselves. We live in
the world and we are responsible
for improving that world if we

can. A university has unique opportunities for community service. But
its functions are not those of a service station along the way. They are
valid only as they relate to and flow from education and research. Its
community services are natural and logical outgrowths of healthy, well-
planned programs of education and research. Its civic and cultural contribu-
tions are inevitable dividends of diverse and dedicated efforts by the entire
university family.

A university serves many communities: the community of scholarship
—the teacher, the student, the alumnus; the community based on interest
in the professions and disciplines and the boundaryless areas of human
knowledge generally; the community in a geographical sense—the city,
state, nation and world and, to an extent consistent with its broader
responsibilities, the immediate neighborhood in which it is located.

375242

The old order changeth, yielding place to the new.

—ALFRED, LORD TENNYSON

*A day for toil, an hour for sport,
But for a friend is life too short.*

If I were founding a university, I would
found first a smoking room; then when
I had a little more money in hand
I would found a dormitory;
then after that, or more probably with it,
a decent reading room and a library.
After that, if I still had more money
that I couldn't use, I would hire a
professor and get some textbooks.

—STEPHEN LEACOCK

PHOTO BY GEORGE YASKILLIC

. . . that indefinite something which,
for want of a better term, we call the
university spirit, a something which
a rich institution may not have, and with
which a poor one may be saturated;
a something which is associated with
men and not with money,
which cannot be purchased in the market
or grown to order, but which comes
insensibly with loyal devotion to
duty and to high ideals.

—SIR WILLIAM OSLER

STUDENTS' COUNCIL, 1960-'61

ADMINISTRATION

DR. WALTER HUGH JOHNS
President of the University

THE PRESIDENT'S MESSAGE

No students in the history of the University of Alberta have seen more changes in the physical aspect of the Edmonton campus than those who are enrolled during the current year. The members of the graduating class this year will have seen the special festivities connected with the University's Jubilee in 1958 and the tremendous increase in the physical facilities which have taken place since that time. These new buildings to house the School of Physical Education, the Departments of Chemistry, Mathematics and Physics and a number of Faculty Schools and Departments in Medicine and Engineering represent a great contribution by the people of Alberta to the University and its students.

The physical development is worthy of special attention and comment but I am happy to say that it is fully matched by an increase in activity on the part of the staff and the students which is the true measure of the life and health of the University. The establishment of the Boreal Institute for northern studies, the Institute of Theoretical Physics, the Institute of Social Research and other similar developments gives clear evidence of the vitality of the members of the University community in seeking to advance the frontiers of learning and serve their community at large.

The students cannot help but benefit from such activities, nor will they fail to be inspired to better efforts in their undergraduate years and to a determination to go to advanced study either on this campus or elsewhere. The great growth in the Faculty of Graduate Studies in many departments gives further proof of the increasing importance of the University of Alberta in the field of higher education in Canada. We are the host today to many students from other lands who not only lend a cosmopolitan atmosphere to the student body, but bring to our campus a wealth of experience gained in other institutions and in other lands.

To those who are graduating this year we offer congratulations and express the hope that you will never cease your quest for "Whatsoever things are true", nor forget your alma mater.

WALTER H. JOHNS,
President

MISS PAT AUSTIN
Director of Women's Athletics

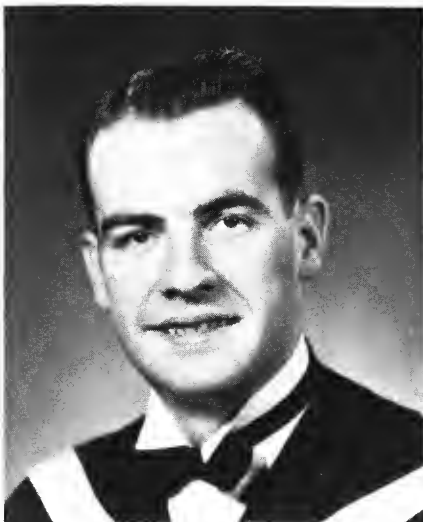

The University Athletic Board, which is composed of both student and faculty members, supervises intramural and intervarsity sports. One of its major and most successful functions has been to provide a meeting ground for effective co-ordination between the Administration and the students in the area of sports. With the new Physical Education Building and its facilities, the Board's role in student activities has increased considerably.

MISS PAT JACKSON
President of Women's Athletics

MR. GEORGE KINGSTON
President of Men's Athletics

THE STUDENTS' UNION

UNIVERSITY OF ALBERTA

MR. ALEX F. McCALLA
President of the Students' Union

The 1960-1961 term will be remembered by each of you in a different way. It may be the year of your graduation, engagement, academic success, athletic achievement or some other significant personal event by which you will be reminded of this term. However, it is certain that all events will not be remembered in their entirety. It is for this reason that this pictorial profile of events is yours as a permanent record for your memories.

This year again has been marked by a rapid expansion of the physical plant at the University of Alberta. We, as Students' Union, have dealt with and served a larger number of students. We have seen the christening of a new University, The University of Alberta, Calgary. All these growth symbols still are only precursors to an even more rapidly expanding University. One cannot measure the greatness of an institution by its physical size. The greatness lies in the people occupying the buildings and the product produced. Let us hope that we as students can maintain the high honor of our Alma Mater.

The Students' Council also had an increasingly large job in dealing with an increased student population, new clubs and more activities. It has been a year of change, a year of progress and a year of big hopes and small returns in the entertainment field. Council has dealt with an extensive reorganization of the Students' Union structure. It has dealt with parking, usage of the Physical Education Building, exchange visits including a visit of four students from the U.S.S.R. and election campaigns. This has been the year that many of Council's efforts, in pressing for the construction of residences, have finally seen results.

This year, as have past years, has made Council's task larger and more varied. If it were not for the people on Council and all others who work so hard to make student activities a success, many events would not have been successful. To them, I express my thanks for helping make this year a successful and rewarding one for all concerned.

THE ALUMNI ASSOCIATION

MR. ALEX MARKLE, B.A., B. Journ.
Executive Secretary, General Alumni Association
Director of University Press Bureau

The General Alumni Association of the University of Alberta, established in 1915, is representative of 21 alumni branches across Canada. Its purpose is threefold: (1) To keep our alumni well-informed concerning University activities. (2) To encourage the alumni to represent the University in their respective communities. (3) To persuade each alumnus to make an annual contribution in money in proportion to his ability and inclination.

The Executive Secretary of the Association is Editor-in-Chief of a quarterly University and alumni publication "The New Trail", copies of which are forwarded to all graduates who subscribe to the Alumni Fund annually.

All graduates are automatically members of the Alumni Association at time of Convocation. There are now some 21,000 of these scattered around the globe.

GRADUATES

VALEDICTORY 1961

JAMES COUTTS, B.A., LL.B.

James Coutts, our Valedictorian, has been very active in campus activities. Although he has held numerous executive positions, he is probably best known for his efforts in Model Parliament and Students' Council.

Men come here seeking absolute knowledge, absolute truth, and absolute readiness. Education is finding these are not to be found. If men find balance, they have found much. As nature is a delicate balance of colossal forces, so man is a delicate balance of the mystery of God and the mystery of his own ego. The Greeks talked of a Golden Mean—a Golden Mean which is neither a lazy average nor a genteel mediocrity. It is a balance of essentials demanding the most delicate and the sternest of disciplines.

Times such as these are perhaps no more trying than periods of rapid change in the past, but there are new forces of tension and stress in events which require great resilience of mind and toughness of determination—the ability to persevere and face the problems which beset us. The future is not a play written for us with stage direction. It is an extemporaneous act and there must be improvisation. As well as balance, improvisation requires wise appraisals and quick thinking.

There must be no weak evasion of principle, no cynical aloofness nor deliberate malice of good words for bad ends. Science and idealism cannot be at the perverted service of the glorification of power. Yet there must be power to act for good. This world is an antithesis. Power corrupts, yet there must be power to cleanse corruption.

There are wide horizons ahead, requiring more flexibility and scope from this generation than from any other. Of necessity we have specialized, but specialization must not become a strait jacket, rather a springboard to a new plateau and wider concepts—concepts as narrow as the test tube, as wide as the atom. It takes an elastic mind to grasp the immensity with which we are faced.

There is no doubt that in our search for balance and flexibility we will from time to time be frustrated. Man serves mankind best when he is dissatisfied—dissatisfaction being the ferment in his mind producing either a fair vintage, or a wine of marque.

Whatever the challenge of the future, it will be a challenge involving new ideas, new ideologies and new spaces. Toynbee said nations rise and fall as they meet the challenge of history. This class will fail or succeed as it meets the challenge of its time.

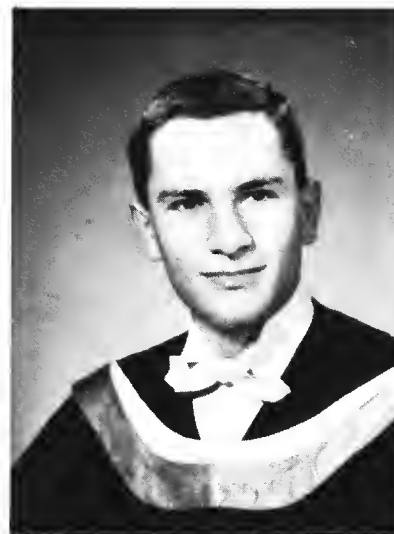

Let us never shrink from challenge. Let us never lose sight of the broad vista beyond. Let us go from this place with a hunger for learning, a fear of forsaking principle, a security in the enjoyment of laughter, the worship of a powerful ideal and the love of God.

CLASS HISTORY

1961

BERNIE ADELL

Bernard L. Adell, our class historian this year, has distinguished himself in academic and extracurricular activities while at our University. Now holding a B.A., he will receive his LL.B. this spring. Bernie scholastically has stood at the top of his class and is Alberta's 1961 Rhodes Scholar, which indicates his all-round abilities. In addition to his first love, law, Bernie has been very active in campus politics, debating, and has held various executive positions.

"There is no present, only a past and a future. Man lives on history and hope."

We have come through a period of transition in our lives—perhaps through the greatest inner upheaval that many of us will ever experience. The beliefs and ideals of our early youth have been subjected to the most incisive examination. We have been introduced to the instrument of doubt, and have been shown how to use this instrument to probe our most deeply held values in order to determine whether they are sound, or whether they are decayed and in need of repair. The university can teach us to doubt, and can only hope that by the use of doubt we will reaffirm our faith in ourselves and our faith in the future of our society. In the words of a distinguished American educator, John Sloan Dickey:

The tool of doubt is simply indispensable to the fashioning of the kind of critical mind that does the daily intellectual work of the world . . . Most (undergraduates) learn to handle and respect it as a tool, but there are always some who, for a time at least, insist on treating doubt as an end in itself. Likewise, I think, many undergraduates go through a phase of being genuinely perplexed because the use of doubt does not produce uniformly results in all situations.

Perhaps "perplexed", used in a somewhat different context, is the word which most accurately describes the totality of our feelings during the first part of our freshman year. We were confused by the seeming immensity of the campus; we were stunned by our first encounter with the requirement of real academic effort; we were briefly impressed by those upperclassmen who announced their good intentions of helping us but who in fact confused us all the more with their hopelessly esoteric jargon: NFCUS, WUS, SUB, WAA-WAA, and so on. As our first year went on, we lost much of our initial awe and incapacity, and began to cast the dice for our years on campus. The activities which we chose in those first few weeks usually stayed with us and shaped our entire university lives.

Many of us became active in sports, and helped the university to compile a record of athletic successes of which it can well be proud. Our reborn football Bears and our fine new physical education facilities will remain as monuments to those of us who provided leadership in campus athletics. Many of us took part in politics, and felt the excitement of winning or losing an election for Model Parliament or Students

Council. Those among us who became debaters helped to bring the McGoun Cup back to Alberta and to keep it here for three years. Others among us took positions of leadership in faculty organizations, and watched with mixed feelings as the weak Arts and Science Undergraduate Society passed out of existence. Still others of us tried our hand at journalism, and watched the Gateway wander from its Southam Trophy days to the "barf-besplattered" days of "Scrapings," and finally to the "Eccchh" days of "Scrabble". We have all seen the university survive Ian Spence, Ted Heath and Stan Kenton, and we have all taken pride in the development of our Studio Theatre, our Mixed Chorus, and our Symphony.

All too many of us, unfortunately, have not pulled our weight in the extracurricular life of the university, but have been content to leave to others the task of maintaining student spirit and of fostering pride in, and concern for, our university and its destiny.

The physical face of the university has changed greatly during our presence. Our new facilities are functionally unsurpassed. It is to be regretted, however, that concern with architectural beauty seems to have ended with the completion of the Agriculture Building, and that the Administration and Math-Physics-Chemistry Buildings sacrificed attractiveness to stark functionalism.

As the university itself has grown, so has its staff, both in size and in quality. We all realize the debt which we owe to our professors and to the administration, and there are few indeed among us who cannot now count at least one professor among our most cherished friends.

The saddest event during our years on campus was the passing last summer of the best friend any student ever had, Reg Lister.

We must leave now. Our visit is over, and we take with us memories of those joys and frustrations which can be experienced only by a university undergraduate. The university has done its job—it has offered to us the opportunity to develop our intellect, our character, and our personality. Let us hope that we, too, have done our duty by seizing this great opportunity.

Waunreipa Society

The Wauneita Society was established in 1909-10 with the purpose of striving to promote friendly understanding among coeds at the University of Alberta. This year marked the incoming of our new adviser, Mrs. J. Grant Sparling, and under her careful and everthoughtful guidance, Wauneita strove to achieve its purpose.

How kola! Welcome to Wauneita! were the words that invited every freshette to be initiated into the tribe during Freshman Introduction Week. A 'big sister - little sister' plan gave every new coed some feeling of security during her campus orientation. Coffee parties and a formal tea rounded out the week. Early in November the annual Wauneita formal was held and it was based on a Cree Indian theme. Entitled 'Nemetoo Metay', it meant 'Dancing Heart'. A White Gift Christmas Party was held in December and March brought forth the "How-To" talks.

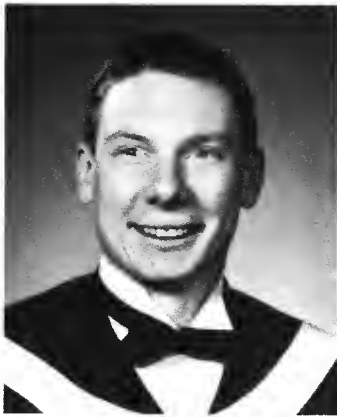

The Wauneita Society has enjoyed a successful year and has sincerely appreciated the interest shown to us by our honorary president, Mrs. D. E. Smith.

GOLDEN KEY SOCIETY

The Golden Key Society is an honorary society whose members are students who have made an outstanding contribution to campus life. Each year at Color Night as many as twelve blazers with the distinctive Golden Key emblem may be awarded.

Highlights throughout the University year such as Freshman Introduction Week and Varsity Guest Weekend are the responsibility of the Golden Key Society. Members also act as hosts to official guests of the Students' Union on the Campus.

Back Row: Sam Baker, Gerry Harle, Alex McCalla, Don Boyer, Peter Hyndman.
Front Row: Jim Coutts, Louise Calder, Bob Rose, Betty Robertson, Ken Glover.

UNIVERSITY SYMPHONY ORCHESTRA

CONDUCTOR:

Arthur B. Crighton

Social Convener, Mary-Jo Powell
Executive Adviser, Dr. C. Johnston

The Symphony Orchestra accomplished another busy and successful season. For the first time they played for the Frosh Admission Ceremony. In October the Symphony accompanied the Henry Marshall Tory Lectures. In conjunction with the University Singers, the Symphony presented their Christmas Music program. In February they again performed their annual concert, this year with guest pianist, Assistant Professor R. Strangeland. During Varsity Guest Weekend the Symphony combined with the Mixed Chorus to present an afternoon concert.

The year 1960-'61 proved another successful and enjoyable year for the members of the University of Alberta Mixed Chorus.

Students from every faculty on Campus gained a deeper appreciation of the various choral works under the distinguished and witty leadership of Professor R. S. Eaton. Years of choristers have dubbed him "Mr. Chorus," for through personal drive, a little cajolery, and a great deal of personal charm, he has transformed one hundred and fifty "soloists" into a co-ordinated choir acclaimed by many as the "Goodwill Ambassadors of the University."

Many hours of practice from early fall to end of January prepared the Chorus for their annual concerts in Convocation Hall. The major works of this year's program

were the Magnificat by Vivaldi and The Turning Year by C. Armstrong Gibbs.

The short winter tour took the Chorus to Camrose and Ponoka and provided a most enjoyable two days for the members. The Chorus also performed with the University Symphony on Varsity Guest Weekend. A short trip to Westlock in March completed the year's activities before final examinations.

Approximately ninety Chorus members will spend eleven days in May touring the eastern arm of the province with their "Maytime in Alberta" sponsored by the Provincial Government.

Thanks go to Professor Eaton, and the members of the University Symphony who participated in the concerts.

Back Row: Bob Lundrigan, Hugill Chairman; Ray Areher, Oxford Chairman.

McGOUN DEBATING TEAM

Left to right: Laurence Decorc, Clifton O'Brien, Walter Shandro, Joe Clark, Ron Neuman.

WE'LL TELL THE WORLD

Debating on this campus has undergone a welcome renaissance. Hugill intramural debates, held during the lunch hour through the year, attracted 250 and 200 spectators regularly.

Whatever the reason, only good can come of an increase in interest in debating. Students on this campus are far too enchanted with the social whirl and have tended to leave such constructive and beneficial activities as debating to the more serious element of the student body.

SOVIET STUDENT VISIT

REPRESENTATION AT 34th N.F.C.U.S.
National Congress

DAVID McLEAN
Chairman

GERALD LUCAS
Vice-Chairman

The activities of the N.F.C.U.S. Committee at the University of Alberta were highlighted in November by the visit of four students from the Soviet Union to our campus. In addition, the 150 delegates to the Fourth National Seminar in Vancouver were hosted at the University of Alberta for a one-day stopover in late August of last year. The N.F.C.U.S. Chairman and the Students' Union President attended both the regional and national conferences in their representative capacities. Other activities included: reception of the National President, and research and support of the N.F.C.U.S. education program, as well as the administration of numerous projects assigned by the students' council.

President, Dan de Vlieger; Jim Foster, Peter Hyndman, Bob Jarvis, Francis Saville, Ross Rudolph.

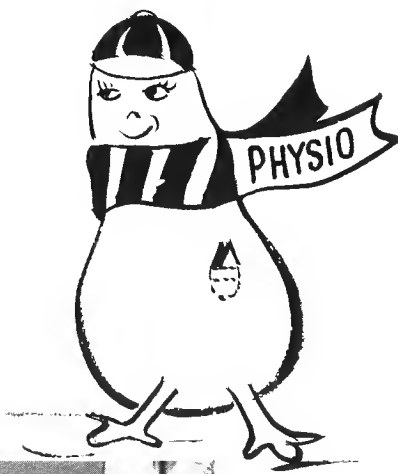

Back Row: Fred Wakulich, Don Beckland, Ernie Silverton, Arnold Nadeau, Tom Eccleston, Bob Mitchell, Stu Ash.
Front Row: Jim Hunter, Glen Lavold, Joan McLean, Don MacWilliam, President; Ken Campbell.

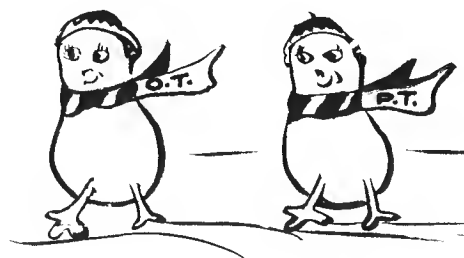

COMMERCE CLUB

The first term began with a series of events to welcome the frosh. Activities really started with a rip-roaring stag, complete with dancing girls. In early November, a group of Society members journeyed to Saskatoon for a Sports Weekend with the University of Saskatchewan Commerce students. The Society co-sponsored with the Faculty a Businessman's Day in late November.

The second term began with the Annual Probation Bounce, a dance sponsored by the Society. This was followed by the hosting of a group of University of Saskatchewan Commerce students for a return Sports Weekend. Forums and a Commerce Toastmasters Club was formed. The highlight of the year was the Formal held at the Airlines Hotel in February. The Society sponsored a large display in connection with Varsity Guest Weekend. Elections were held in early March, and the year concluded with a mixed party.

PHYSIOTHERAPY

"WE'RE EXPANDING!"

There used to be only physios at the great old U. of A.;
Then the O.T's came along one day. Now this is what we say—
We're expanding, expanding, expanding all the way,
The O.T's and the physios as one are here, and here to stay.

Lynn Daly: Vice-president

PHARMACY CLUB

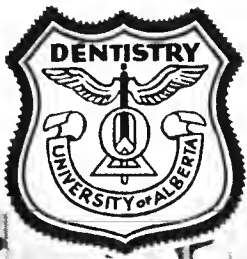

Back Row: Jeff Higa, President; Art Wood, Burcheil Gilbert, Bob Prozny, Ron Jarvis, Ron McCready, Doug Townsend, Bob Brown.

Front Row: Jim Orr, Jean Zulak, Donna Wilson, Pat Paris, Judy Malcolm, John Dudar.

The Pharmacy Club once again has enjoyed a very successful year. They were active in intramural sports, and many social events were held—the Bromo Ball and the Annual Formal at the Macdonald Hotel.

DENTAL UNDERGRADUATE SOCIETY

Back Row: Ken Glover, Jim Mathieson, Glen Howard, Wally Sinclair, Mike DeAbreu.
Front Row: Dave Stanger, Jack Boulton, Jim McIntosh, President; Don Alderson, Jack Niedermeyer.

1960-1961 term was started with the traditional Fall Banquet and Smoker in the Park Hotel at which time the first-year class was welcomed and briefed on the year's activities.

The remaining year's social activities were accented with numerous sleigh rides, hay rides and costume parties—the entertainment during which was both unrehearsed and unrestricted.

The beginning of the second term marked the opening of the new dental clinic in the Medical Science building which supplied newer and better services to the public.

Sportswise, D.U.S. was active in all intramurals and sponsored their own golf tournament and curling league.

The year's activities were climaxed with a Formal Banquet and Dance at the Macdonald Hotel.

New dental clinic.

"Three to Eleven"

PHYSICAL EDUCATION STUDENTS' SOCIETY

Back Row: Bill Dunne, Mr. Murray Smith, Gerry Bruce, Al Goodwin.

Front Row: Bob Coyle, Carol Campbell, Lee Coyne, President.

With the new Physical Education Building, the Society was kept busy this year with the furnishing of a Lounge for the Physical Education students and buying of books for the new library. The fall term activities initiated the freshman both by a Formal Tea and by an Initiation Party. The mid-term activities provided Varsity Guest Weekend with the "Ivy League Ball" as well as concessions for all intervarsity basketball and hockey games. The Graduation Banquet and Dance held in March brought to an end the events of the P.E.S.S. for the year.

The Student Christian Movement is neither a melting-pot nor a warming-oven; rather it is a place where students challenge and are challenged.

It provides an opportunity for a meeting between persons of different beliefs and opinions to join in study and discussion of the problems of the university and the world. In such an atmosphere, we hope that the believing student can deepen his faith and that the agnostic can freely inquire into the nature of Christianity. It particularly welcomes those who feel they cannot be Christian.

VARSITY CHRISTIAN FELLOWSHIP

The Varsity Christian Fellowship (V.C.F.) is an inter-denominational, international group whose purpose can best be stated by the motto: "To know Christ and to make Him known."

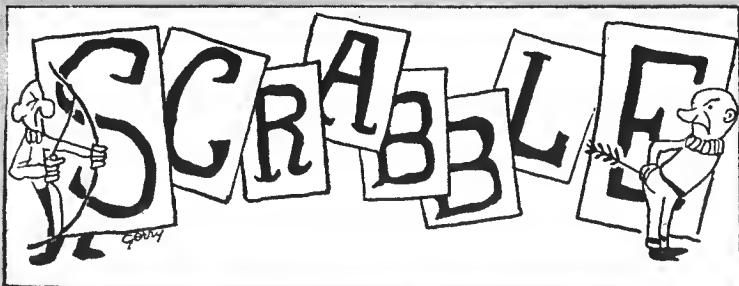

The first part of this motto is realized through activities such as Bible studies, prayer meetings, Dagwood Suppers with guest speakers and Mission study groups. The latter part is carried out through a program of socials, week end camps, the Annual Campus Leader's Smorgasbord and the Banff International Christmas.

run of affirmative's attack was the "Scrabble", which was a and derisively noted. Sole profanity and ejaculate "Not bloody likely" were notedly scored.

Affirmative's also set a standard of journalistic service to which they aimed. The Gateway is not alone. They argued that a decent newspaper, among other things, should create campus spirit, and should express only popular opinion.

An affirmative argument that The Gateway is a valuable bath-room story was disputed by negative's editor Ross Ru who claimed he conducted a controlled experiment to prove paper's absorbent quality.

The negative said Students' Council and the Administration imply approval of The Gateway by allowing it to exist. That student opinion ranks behind it is proved by its steady and faithful student audience, they claimed.

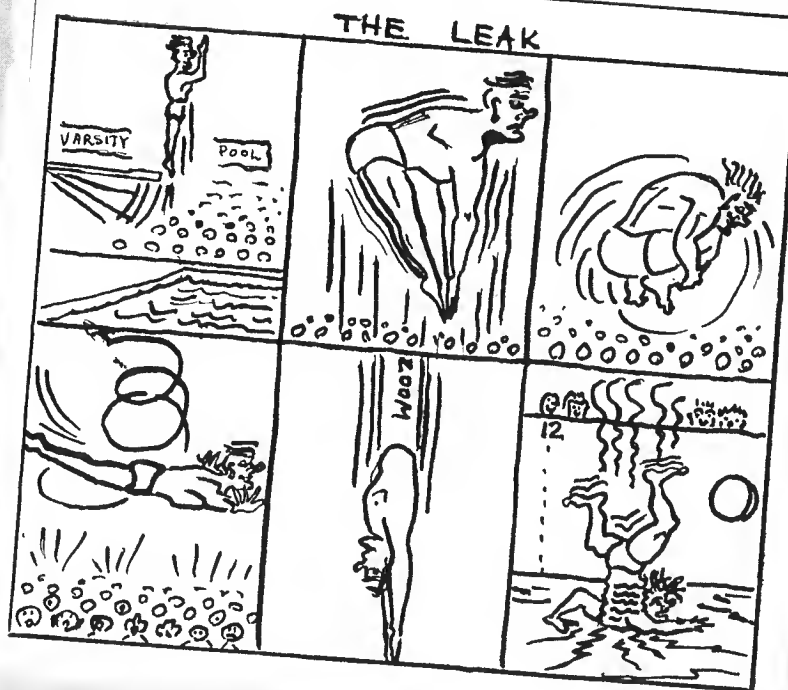

The debaters were not lonely in their discussion, as loud segments of the crowd believed the debate was of Oxford style, which allows heckling and argument from the floor.

The winning affirmative side countered all post-debate questions and objections with the observation: "these questions are irrelevant."

Gateway editor John Taylor con-

Dave Jenkins, Managing Editor; John Taylor, Editor-in-Chief.

QUEEN AFTER MATH

Debaters Bedunked

The Editor:
Today (Friday, Feb. 3), I was present at a Hugill debate on the topic resolved that Engineers do not Deserve to Have a Queen". The debate was attended by a large number of engineers, who, by their conduct, proved the affirmative beyond a doubt.

In opening the debate, the chairman pointed out explicitly—and twice, because most of the engineers came late—that heckling from the floor is not a part of Hugill debates; that debaters are not allowed to take notice of, or reply to such heckling, so that it corresponds to throwing bottles at a hockey team; and that topics for a debate are assigned arbitrarily, without regard for the debaters personal feelings on the subject.

The engineers heckled loudly throughout the debate, at times drowning out the speakers. At the

Wrong Box

To The Editor:

The past Queen Week has again demonstrated the superiority of engineering over arts and science. Engineering practice demands "developing and maintaining high standards in the engineering profession, and enhancing the usefulness of the profession to the public." (ESS handbook 1960-1961).

This entails using intelligence and strength in the proper proportions to fit the circumstances. This same principle applies to the engineer's conduct during Queen Week; viz. using force when necessary to protect the queens from grubby artists (men?), and punishing the offenders for their misdemeanors. The Engineers effectively showed their mental superiority by letting a mob of three hundred "brave" artists (complete with gas masks) protect themselves from their own

GREEKS

PANHELLENIC CREED

We, the fraternity undergraduate members, stand for good scholarship, for co-operation with our college ideals for student life, for the maintenance of fine social standards and the serving to the best of our ability our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnac days, is the ideal that shall guide our chapter activities.

We, the fraternity women of Canada, stand for preparation for service through character building inspired in the close contact and deep friendship of fraternity life. To us fraternity life is not enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

NATIONAL INTERFRATERNITY CRITERIA

We consider the fraternity responsible for positive contribution to the primary functions of the colleges and universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectually, physically and socially. Therefore we declare:

1. That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters.
2. That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual.
3. That the fraternity should promote conduct consistent with good morals and good taste.
4. That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement.
5. That the fraternity should maintain sanitary, safe, and wholesome physical conditions in the chapter house.
6. That the fraternity should inculcate principles of sound business practice, both in chapter finances, and in the business relations of its members.

The Golden Bears this year, after the season opening setback against the Whitworth College squad, bounced back to gain the Western Canada Intercollegiate Football title. On their way to the title, they captured the Rain Bowl Trophy by downing the University of British Columbia in the now traditional game at U.B.C.

Also during the regular season, the Bears clashed with their crosstown rivals, the Edmonton Huskies, at Clarke Stadium with Huskies coming out victorious by a 19-0 margin.

Representing the West in the Churchill Cup finals at Montreal, the Bears were defeated by the McGill Redmen by a score of 46-7.

All in all, this second season in the league after a long absence proved to be one of the best in Golden Bear history.

THE BEGINNING

CROSS-COUNTRY

INTERVARSITY TEAM

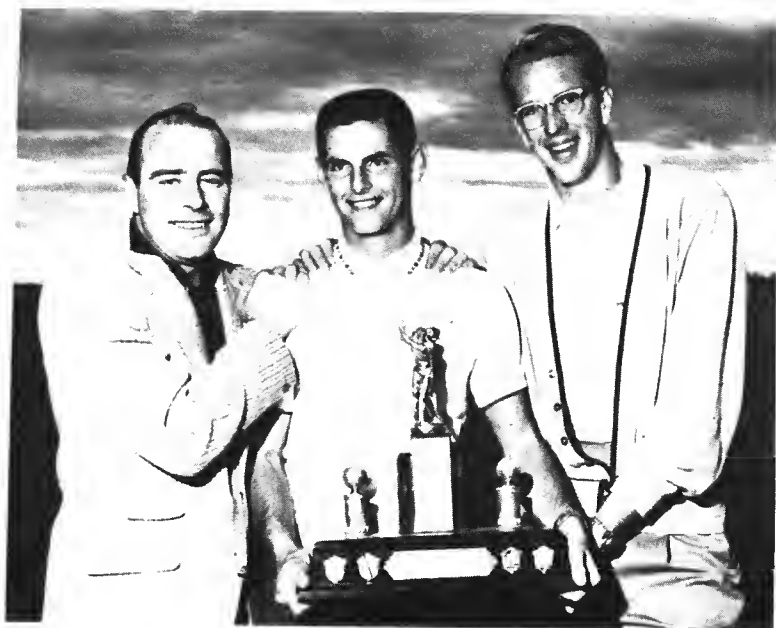

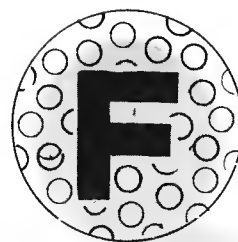

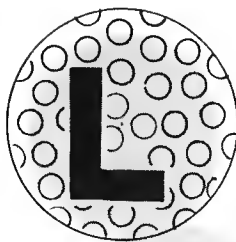

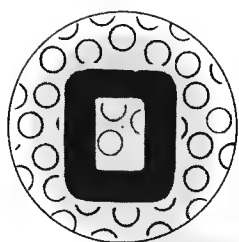

Back row, left to right: Al Armstrong, Doug MacDonald, Doug Lampard.
Front row, left to right: John Eccleston, Coach Alexander, Bob Gillespie.

THE END

For the sixth consecutive year, U. of A. runners topped the intercollegiate cross-country meet at Winnipeg by edging out U. of Sask. in a disputed decision.

Intramurally, the annual classic was won by John Eccleston who covered the 2.5-mile course in 13:01 minutes. Close at his heels were Doug MacDonald, Bob Gillespie and numerous other enthusiastic entrants.

MIKE RICHARDS, BOB BRADBURN, CLYDE MARTELL

INTRAMURAL GOLF

This year the tournament was played at the Victoria Golf Course. Delta Upsilon and Kappa Sigma tied for the major honor with a four-player total of 325. Low handicappers were Martell, 72; Ondraek, 73; Anne Sherman, 74; Wilson, 75.

INTERVARSITY GOLF

The men's golf team won the Western Intercollegiate Golf matches at the Riverside Golf Course. Final team scores were U. of A., 464; U.B.C., 466; U. of M., 471 and U. of Sask., 490. Individual men's champion was Gary Puder with a score of 149. Alberta shotmakers Richards, Martell and Bradburn earded 150, 152 and 162 respectively.

WOMEN'S GOLF

Mary Evenson, Sandra Kirsten and June Jamieson of the University of Alberta, placed second to the University of Saskatchewan in the Intervarsity Competition, held at Edmonton's Highlands Golf Club. June turned in two 88s to claim the low score.

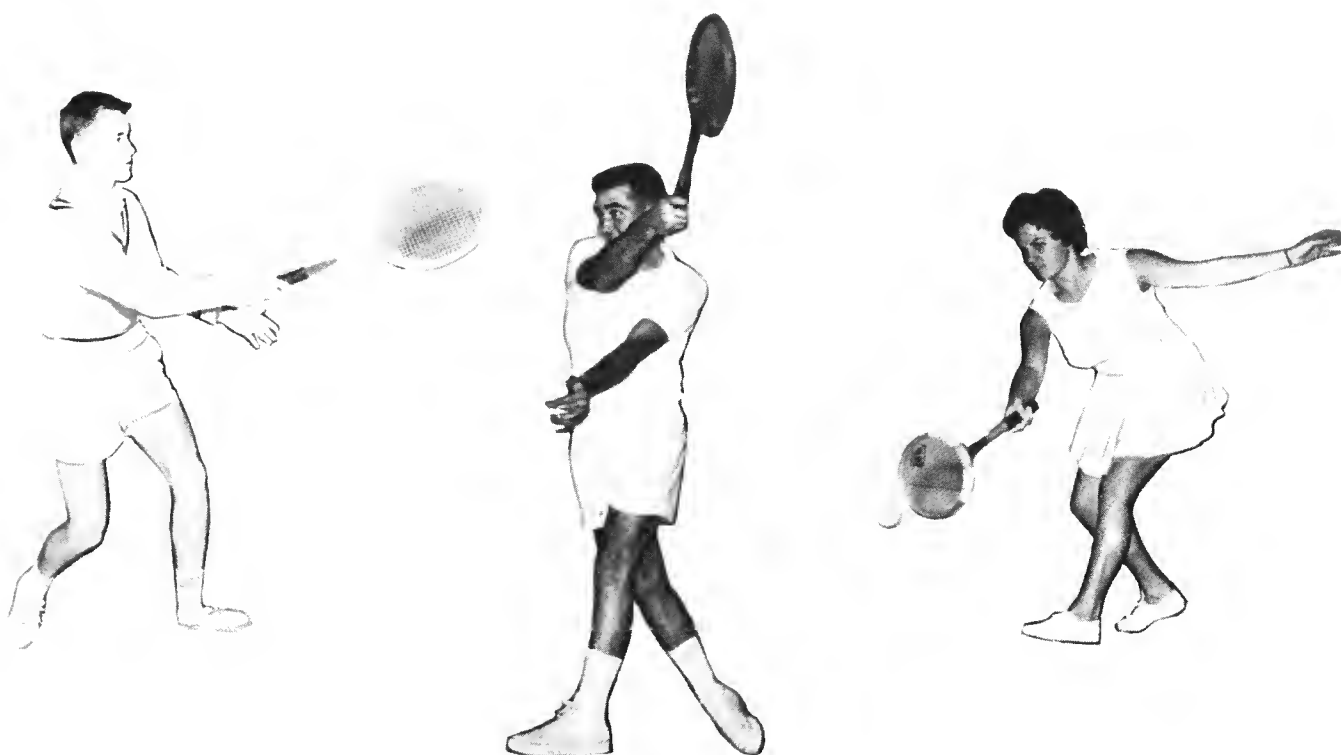

INTERVARSITY TENNIS TEAM

Back Row, left to right: Lance Richard, Lyall McCurdy, Cam Dalglish.

Front Row, left to right: Pat Shandro, Linda Clute, Heather McPherson.

TENNIS

The men's and women's teams represented Alberta to capture the IntersVarsity Tennis Championship. Linda Clute and Heather McPherson swept the doubles play, while Alberta placed only one point behind Manitoba in singles play. Cam Dalglish and Lance Richard conquered all opposition in the singles and Cam and Lyall McCurdy faced the three visiting universities in men's doubles. Lyall and Pat Shandro teamed to win the mixed doubles event.

Back Row: Doug McTavish, Hank Publicover, Jim McDonald.
Front Row: Linda Clute, Judy Simpson, Mary McKenzie.

BADMINTON

Badminton-wise, University of Alberta travelled to Vancouver where they competed for the O. J. Walker Trophy. The trophy was won in a clean sweep by the team from Manitoba. U.B.C. placed second with Alberta following in third place.

GOLDEN BEAR activity this year was highlighted by Alberta's eighth victory in eleven years of Hardy Cup competition by 3-2 and 7-1 triumphs over the University of Saskatchewan Huskies.

Last year's runners-up in W.C.I.A.U. league play, University of Manitoba Bisons, proved to be little match for the Bears, as the Bears took the series by scores of 10-1 and 12-3.

An innovation in this year's hoekey war was the series against the Bear's crosstown rivals, the Junior Oil Kings. The varsity squad came out triumphant by taking the series, 3 games to 2, in a very hard-fought and well publicized bout.

Final action for the Bears saw them take the Hamber Cup title with ease by defeating U.B.C. in the annual classic, played this year in the new Varsity Arena.

FORCEFUL OPINIONS?

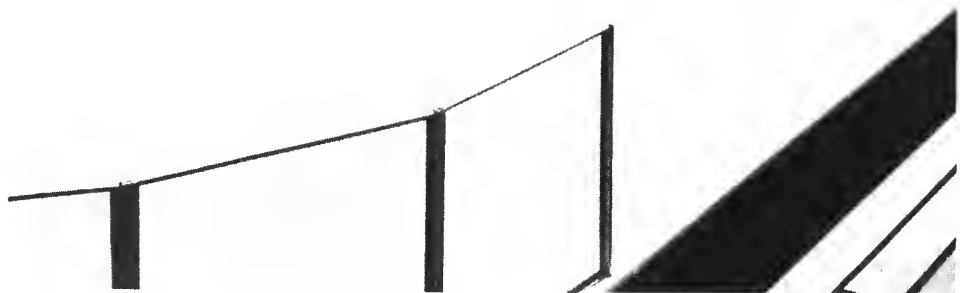

SKATING

Alberta tied for first place in the Intersity Skating Championships at Saskatoon, on February 24 to 26. The trophy went to Saskatchewan's team, however, since they won more points in the senior events.

Left to right: Susan Price, Lorna Saville, Barbara Anne Cornett, Pat Gerlach, Catherine Whelihan, Colleen Cameron, Wendy Cotter.

EVENT	WINNERS	PLACE
Junior Dance	Pat Gerlach Susan Price	1st
Intermediate dance	Colleen Cameron Cathy Whelihan	1st
Senior dance	Lorna Saville Wendy Cotter	3rd
Junior singles	Colleen Cameron	1st
Intermediate singles	Barbara Anne Cornett	2nd
Senior pairs	Lorna Saville Wendy Cotter	3rd

Men's Interfaculty Hockey Champs, this year, were Physical Education who edged out Commerce in the final game 7-1. Previous to this the Commerce team had defeated Phys Ed to force a thrilling sudden death all deciding game, the score of which is recorded above.

INTERFACULTY CHAMPIONS

Back Row—Angus MacGregor, Eugene Dextrase, Bob Waldenberger, Wayne Kotch, Wayne Armitstead, Morley Lee, Tom Sorensen, Lee Coyne.

Front Row—Ed Hancheruk, Jerry Percy, Jack Managhan, Joe Lovsin, Geoff Lucas, Ted Scherban.

Missing—Gordon Severin, Jim Donlevy (tit), Larry Bart, Jack Patterson, Dennis Kadatz, Julian Usyk.

HOCKEY

This year's Greek hockey war was decided in the University Coliseum when Phi Delta Theta triumphantly trounced the Delta Upsilon entry by the fantastic score of VI goals to I. Although the score was one-sided, the match was very interesting and good Greek fun was had by all—even the members of Delta Delta Upsilon Upsilon.

INTERFRATERNITY CHAMPS

Back Row—Bill Neild, Bob Bradburn, George the Janitor, Wes Dalglish, Dave Cragg, Hugh McQueen, Ed Brown, Dick Wintermute and friend, Keith Anderson, Bob Ritz (coach).

Front Row—Derrick Higham, Don Lorass, Dick Bennett, Jackie Lyndon, Bill Dunnigan, Don Graves, Dougie Lilly, Ernest Stevens.

CURLING

At the girls' sports weekend held in Manitoba, Alberta placed second in the curling competition, losing two games and winning one. U.B.C. once again captured the Spooner Trophy.

The Alberta team consisted of June Jamieson (skip), Mary Montgomery, Joy Sorenson and Liz Wilson. Darrell Hockett coached the team again.

Alberta was ably represented in the Men's Intersarsity Curling Championships, this year held in Vancouver. Doug Grant skipped a rink composed of Bruce Walker (third), Don Lorrie (second) and Gil Desmarais (lead).

The U. of A. Curling Club enjoyed another successful season, playing at both the Balmoral and Granite Curling Clubs each week. The E.U.S. also innovated a Christmas bonspiel, in which over fifty rinks competed for several trophies.

FENCING

U. of A. FENCING TEAM

Back Row: Nieholas Rosta, Anton Van As.
Front Row: Marlene Murray, Maureen Murphy.

The Fencing Team this year won the Millman Trophy, emblematic of W.C.I.A.U. fencing supremacy for the first time since 1949. The women's individual honors went to Marlene Murray while the men's title went to Anton Van As.

Back Row: Charles Crockford, Larry Riehardson.
Front Row: Bob Windsor, Lee Hansen.

Although the basketball season this year was marred by a 2-win, 10-loss record, the brand of basketball played by the Bears was entertaining and drew good crowds. Of particular note was the Bears vs. Broders game on Varsity Guest Weekend, at which the Bears almost defeated the defending Canadian Champions, but experience told as the final score was Broders 73, Bears 60.

DAVE OLSON

Back Row, left to right: Jo Gozelny, Nora Chell, Betty Lou Archibald, Judy Urch, Miss Ruby Anderson (coach), Carol Sorenson, Duane Bodard, Sandy Kirstin, Bev. Fenske.
Front Row, left to right: Andrea Borys, Judy Kutt (manager), Pat Jackson (captain).

Pandas

At the Annual Girls' Sports Weekend, this year held in Winnipeg, the Pandas lost the Cecil Race Trophy to British Columbia for the second year.

In the round-robin competition, they lost 50-32 to U.B.C., but won their other two games against U. of S. and U. of M. Betty Lou Archibald was high scorer, with a total of 36 points.

In the City League competition, the Penguins, some of whom are former Pandas, captured the Tracy's Smart Apparel Trophy.

The Junior girls' team, the Cubs, also competed in a city league. Team members are: Eunice Mattson, Linda Clute, Carol Eggan, Margo Niewchas, Gloria Keylor and Gail Shuttleworth. Team manager was Mary Pavelich.

Front Row, left to right: Andrea Borys, Barbara Woywitka, Pat Davidson.

Alberta travelled to Saskatoon to compete for the coveted Sam Landa Trophy for Inter-varsity Women's Volleyball, which they had captured for the past three years. In the round-robin tourney, held during Varsity Guest Weekend, Alberta defeated both U. of S. and U. of M. co-eds, but lost to U.B.C., who claimed the championship.

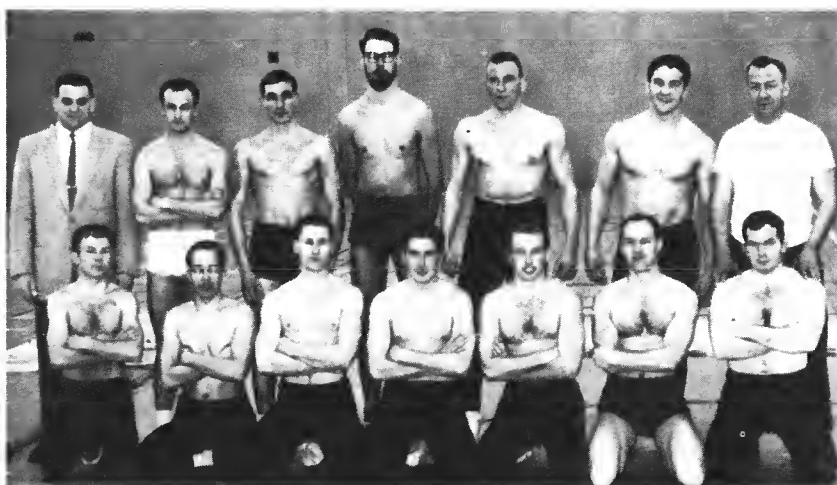

Judo

Judo Club Executive

At an invitational tournament at the University of Saskatchewan, the U. of Alberta Judo Team came out on top, winning the matches as well as the Provincial Judo Championship. Also during the year, they provided half-time entertainment at numerous sporting functions and were well received by the public. The club itself spent a successful year with many new members learning the fundamentals of the art.

WRESTLING

The U. of A's wrestling team gained fame by defeating Moose Jaw YMCA and Calgary YMCA in a warm-up match held in February. However, the victory streak was not maintained when they met Saskatchewan in a W.C.I.A.U. match. The Saskatchewan group won out by sliding by U. of A. 6 bouts to 0. Final results of the W.C.I.A.U. championship had not been decided by press time.

Golden Bear Swim Team won the W.C.I.A.U. championship by scoring 137 points to U.B.C.'s 100 and Saskatchewan's 22. In three other meets, U. of A. defeated the Edmonton High School All-Stars, the Edmonton West-End Swim Club and the U. of Saskatchewan. Their only defeat of the season came at the hands of an Alberta YMCA All-Star team.

GIRLS SWIM TEAM

Alberta was ably represented in the speed swimming, synchronized swimming and diving at the annual intersarsity competitions, this year held at Saskatoon. The Fastel Memorial Trophy for speed and diving was won by U.B.C., while Vancouver took the Marjorie Thompson Trophy for the most outstanding speed swimmer. The W.C.I.A.U. Synchronized Swimming Trophy was won by Loretta O'Neill. Alberta captured the Synchronized Team Trophy.

Back Row, left to right: Miss Carson, Hope Eurchuk, Elaine Elliott, Maureen Krol, Marilyn Kropp, Janet MacPherson, Pat McLeary (coach).
Front Row, left to right: Loretta O'Neill, Vivian Hougland, Margit Bako, Mary MacGregor, Marjorie Anderson, Bev Bailli.

SKIING

SKI TEAM, left to right: Irvin Servold, Charles McCleary, Mr. Affleck (Faculty Adviser), Wayne Ferguson, Peter Coldham.
Missing: Dennis Smith.

The University of Alberta ski team, hampered by injuries, came fifth in the intercollegiate Ski Meet held at Banff this year. The Norwegian-packed teams of Montana State College, Idaho and the University of Washington proved to be too much for the Alberta crew. Veteran Irvin Servold turned in a creditable second place performance in the cross-country and placed a very close fifth in the jumping competition.

Social Period

Front Row: F/L Schoales (Resident Staff Officer), W/C Riedel (Commanding Officer).
Back Row: F/C King, F/C MacWilliam (Squadron Mess Committee), F/C Norville (Mess Secretary).

Lectures

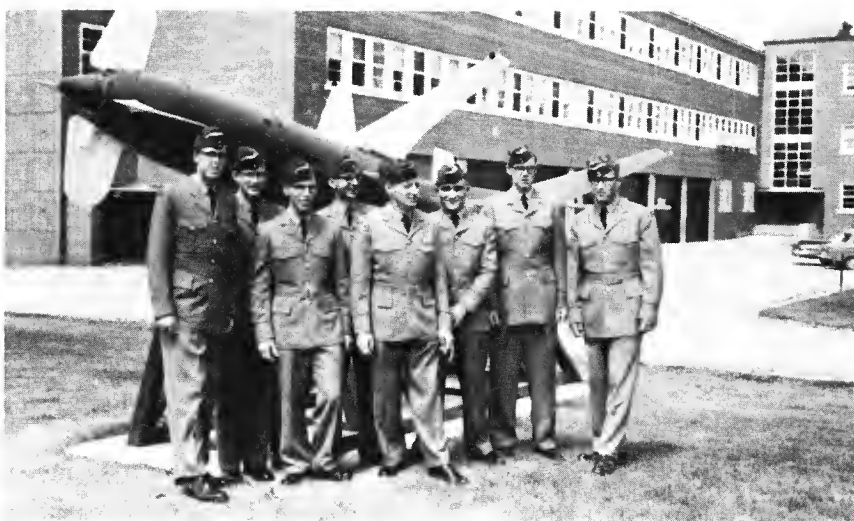

The University of Alberta Squadron, composed of 109 ROTP cadets, URTP cadets, and serving airmen, meet once a week in a combined social and instructional program.

The lectures and tours arranged are designed to supplement both University and RCAF training, and deal with a variety of subjects such as weather, current affairs and Air Force law.

Socially, two mess dinners, a Tri-service Smoker, several sport meets, and the Tri-service Ball assured a delightful winter.

Before the Ball

OUR TECHNICAL BOYS

Left to right: F/C Lampard, F/C Gilmour, F/C Thompson, F/C Kemp, F/C Maybee, F/C Watamaniuk, F/C Tomlinson, F/C Paranchych.

During the summer, the members of the squadron are sent all over Canada to learn their respective trades.

The first-year cadets enjoy a six-week basic training course in St. Jean, Quebec, with members of thirty-seven other Canadian Universities. From here they join the senior cadets on RCAF stations for practical and theoretical training. Pilots go to Penhold; Observers to Winnipeg; Telecommunications to Clinton, and so on.

This gives the cadets a chance to know the RCAF and Canada better and provides numerous stories for the winter ahead.

P/O Bob Rose gets help from higher up.

- Cover by George Weber, Hamly Press.

BENEFITS INCREASED BY 50%⁰/₀ AND MORE

YES — as a result of the Company's latest declaration of bonus, policies for \$10,000, effected in 1937 under The Standard Life's Full Reversionary Bonus Plan now have face values of \$15,119, and policies for other sums assured have grown proportionately. Face values of such policies effected before 1937 are even greater. Bonus additions in the future will depend upon conditions experienced but the above represents actual case histories.

*Consult The Standard about your life assurance problems.

CONGRATULATIONS

The City of Edmonton is proud of its University. In a little over fifty years it has grown from a one-room institution in borrowed quarters to a multi-structured University with over two million square feet of instructional space. The enrolment has grown from forty-five to the present figure exceeding sixty-five hundred. Its status of an undergraduate school has changed to that of a respected graduate and post-graduate college. This phenomenal growth is due, in great measure, to the splendid record of the University of Alberta graduates who have brought honour to their Alma Mater in every field and in every corner of the world. It gives me great pleasure, on behalf of the administration of the City of Edmonton, to congratulate this new graduating class of 1961 and the Faculty members of the University and to wish them all continued success.

A handwritten signature in cursive script, likely of the Mayor of Edmonton.

Mayor

THE CITY OF EDMONTON.

UNIVERSITY EXTENSION SERVICES

"The man who has ceased to learn ought not to be allowed to wander around loose in these changing years."—Father Coady.

University Extension is a province-wide service which gives you the opportunity to receive instruction in many fields of learning and to examine new approaches to the many problems of modern living. Our goal is to offer you an opportunity of continuing education—lifelong learning—to enrich your life and make it more rewarding. We do this in the following ways:

- EVENING CLASSES, SHORT COURSE CONFERENCES
- AGRICULTURAL EXTENSION
- EXTENSION LIBRARY
- PUBLIC ADMINISTRATION TRAINING SERVICE
- PETROLEUM INDUSTRY TRAINING SERVICE
- VISUAL INSTRUCTION
- FINE ARTS DIVISION

University Extension is a means through which you can share in the rich resources of your University. Education, in these times particularly, is continuous, not terminal.

IN EDMONTON IT HAS ALWAYS BEEN THE BAY!

The meter that measures our standard of living

It measures kilowatt-hours...and as the kilowatt-hours grow, it indicates the ever-greater role of electricity in making our lives easier and more enjoyable.

Abundant low-cost electricity probably contributes more to our standard of living than any other factor. It creates opportunity for industry and business...it speeds the production of goods...it opens the way to hundreds of thousands of better-paying jobs for Canadians.

Kilowatt-hours cost so little—but think of what they can do. In the home, low-cost electricity can bring a world of convenience, comfort and service. Planned

lighting brings glare-free new pleasure and charm to every room—at the flick of a finger. In the kitchen and laundry electrical appliances save time and toil. Television and many other products contribute to our leisure and entertainment.

Are *you* making full use of inexpensive electricity?

To make full use of modern electrical equipment—in home, office or factory—an adequate wiring system is essential. Your local power company, provincial Electric Service League or any qualified electrical contractor will assist you in planning to “Live Better...Electrically.”

WHAT WILL BE THE FRUITS OF YOUR STUDENT YEARS?

Many past graduates have discovered the advantages of linking their futures with progressive and well established companies, such as Canadian Utilities. They have found that the expansions, and the planned programs for future development of such companies provide them with excellent opportunities and a full scope for the work of their student years.
